# CALVADOS 30 ANS NON-RÉDUIT

A.O.C. CALVADOS DU PAYS D'AUGE

**Calvados 30 ans non réduit** (= "30 years unreduced") is a strong calvados: it is bottled at cask strength, with neither dilution nor cold filtration. It has been treated in such a way as to maximise its concentration and complexity.

TERROIR: CLAY AND OXFORDIAN MARL SOIL.

VARIETIES: 80% OF BITTERSWEET APPLES  
20% OF ACID APPLES

HARVESTING: FROM SEPTEMBER TO NOVEMBER

ALCOHOL CONT.: 50 % VOL.

## TECHNIQUES USED

The apples are mixed, crushed and pressed. The apple juice is fermented right out to give cider to be distilled. **Double distillation** is carried out 6 months after the fermentation has taken place. The first distillation gives the "petite eau" at 30% by volume and it is the second distillation, that of the "petite eau" which gives the Calvados.

**Aging:** Thirty years minimum. In toasted 1200L (264 imp gallon) and then 400L (88 imp gallon) oak barrels. This Calvados was **neither reduced** (no water is added) **nor filtered** after cold stabilization. Bottled when ordered.

## TASTING NOTES

**Eyes:** Colour Mahogany. Very slightly hazy, slightly fat.

**Nose:** Powerful, intense, sweet. Spices and caramelised apple.

**Mouth:** Powerful, intense and elegant. Spices and caramelised apple in the mouth. Bitterness and earthy hints.

## SUGGESTIONS

- Storage: very long, bottles upright.

- As a Digestive: Drinking temperature 20-22°C (68 to 72°F). Very suitable for lovers of fine eaux-de-vie, dark chocolate and powerful cigars. The lack of dilution gives it a unique intensity both on the nose and in the mouth. As this calvados was not cold filtered, a light deposit can appear.

## PRESS COMMENTS

★ Sommeliers International : "natural, classy, fine"

★ Le Point : 17.5 /20 Outstanding Calvados: "elegant, great finesse"

★ Monsieur : "Powerful, intense and elegant"

Bottle types: 70 cl - 35 cl
